# Jack Sutherland CG Modelling \& Rigging 

## Hey! I’m Jack...

Having graduated from Falmouth University with a first class honours, I have a wealth of knowledge and understanding of the 3D animation pipeline, with strong skills as a modeller and rigger. I'm well-versed in supervising and leading a variety of 3D productions and am a proactive self-starter excited to be a reliable member of a team, creating great and creative content across various platforms.
